We pray for Kay, now at peace, and for her family and friends who grieve her passing.

Please remember in your prayers

- Jean Gear - receiving palliative in Belmont House
- Mary Heaton - convalescing in Queen Mary's, Roehampton
- Steve Pallister - recovering from open-heart surgery in St George's hospital
- Anne Neale - recovering at home following a fall in which she cracked 4 ribs

Lunch Club

For the past three decades the lunch club has been meeting fortnightly with a short break for summer, Christmas and Easter.

However, I am fast approaching a significant birthday, Mike is already past it and Sylvia and Phil are not that far behind. Anne is the baby of the team but she is a member of "the sandwich generation" with, on one side, responsibility towards an elderly parent and on the other side, childcare commitments for grandchildren.

So, we have made the decision to meet once every four weeks to ease the workload. Our lovely, loyal and extremely helpful guests fully understand and are just grateful that we are continuing.

We are indebted to the numerous people who have been part of this organisation for the past 30 years or so but we realise that times and life-styles have changed and although willing, people are unable to commit.

Our fortnightly rota finishes on July 24th and the new system starts on 21st August. It will continue four-weekly with a slight hiccup over Easter to accommodate Good Friday and Spring Harvest so there will be a 3-week gap and then a 5-week gap. We will issue date cards for the year so you can work it round your social calendars!
